

Tips & Tricks for Online Interviews

Many job interviews take place online, so what better way to prepare than through this Zoom-based workshop! Come learn a plethora of tips and tricks to utilize in your next online interview whether that be in academia, industry, nonprofit, government, or something else. We'll discuss common interview questions, tips for giving job talks online, and things you'll want to prepare before the interview itself. You'll also have a chance to put these tips into action through Zoom breakout rooms. Join us and boost your confidence for your next interview!
